

PRODUCT SPECIFICATION

Product Name	S62F LoRa Transceiver Module
Version	D
Doc No	901-12301
Date	2021/01/25

AcSiP Technology Corp.

www.acsip.com.tw

Document History

Date	Revised Contents	Revised By	Version
2020/01/17	Initial Version	PW	A
2020/03/24	Update supply current in Transmit mode	PW	B
2020/06/04	Update SiP and Tray Dimension	PW	C
2021/01/25	Modify electrical characteristics, block diagrams and mechanical dimensions	Kenny	D

1.	Description	3
1-1.	Block Diagram	4
1-2.	Product Version	4
1-3.	Specification.....	4
2.	Electrical Characteristics	5
2-1.	Absolute Maximum Ratings.....	5
2-2.	Recommended Operating Range.....	5
2-3.	Power Consumption Specification.....	5
2-4.	RF Characteristics.....	6
2-4.1.	<i>Electrical Specifications</i>	6
2-4.2.	<i>Receive Mode Specifications</i>	6
2-4.3.	<i>Transmit Mode Specifications</i>	8
2-4.4.	<i>Digital Specification</i>	8
3.	Pin Definition	9
3-1.	Pin Description.....	9
3-2.	Mechanical Dimension	11
3-3.	Recommended Footprint.....	12
4.	Recommended Reflow Profile.....	13
5.	Module Preparation.....	14
5-1.	Handling.....	14
5-2.	SMT Preparation	14
6.	Package Information	15
6-1.	Product Marking	15
6-2.	Tray Dimension	16
6-3.	Packing Information.....	17
6-4.	Humidity Indicator Card.....	17
